health consultation

Do you have questions about your diet,
your pregnancy, about vague troubles
would like to have a blood pressure check
or a diabetes check?

Come to the health consultation,
held in the worldhouse

every tuesday 18.00—20.00

A nurse is answering your questions confidently
and gives you the advice to see a doctor if it is
nessesary!

(you know: also undocumented have the right to
see a doctor!)
